

San Mateo-Foster City Middle School After-School Athletics

Congratulations for being a Bowditch Athlete! You will compete with athletes across the entire peninsula! Plan to attend practices and games a few times a week, totaling approximately 10 games or multiple league meets. Qualifying teams may participate in up to 3 more playoff games.

School districts **do not** receive any funding from the State of California to support athletics. Athletics are possible **ONLY** through community, family, or player donations and fundraising events which pay for practices, coaches, referees, facilities, athletic directors and league fees. All athletic teams are now run through the San Mateo-Foster City Education Foundation (SMFCEF).

Bowditch is fortunate to have high participation in our athletics program and encourages all students to participate. Together we will work to raise \$125.00 per athlete per sport. Any donation amount is appreciated. This may look different for each family; you may make a direct donation, ask your neighbors, sign up at sports night to volunteer to help with our fundraisers, find a business sponsor or even sponsor another student athlete.

If you aren't sure how to help, just ask us! Thank you for your support!
